

## The Taste of Galicia

Galicia, on the northwestern corner of Spain, looks out over the Atlantic Ocean and the Bay of Biscay with over two thousand years of history behind it.

Amongst the many attractions that make Galicia a great tourist destination, its Gastronomy comes highly recommended. The quality and variety of the fresh produce, the meats and the yield of its rich Atlantic waters are renown all over Spain and the refined quality of the local wines have gained international accolade. Add to this a new generation of highly professional creative chefs and you can look forward to a glorious gastronomic experience.

300 gastronomic festivals in the calendar year are living proof of Galicia's love for good food and their pride in the varied regional cuisine. They are also proof of Galicia's generosity when it comes to sharing their traditional culinary arts with the world.

Discover Galicia, its traditions, food, lush green lands and beautiful cities.
