### MAIN ROUTES

WORLD HERITAGE CITIES : by UNESCO

### MAIN ROUTES

**PARIS** **NEW**  
1094 Km / 6 h 25'

**BARCELONA**  
The capital of Catalonia is a Mediterranean and cosmopolitan city with Roman ruins, medieval quarters and the most beautiful examples of 20th century Modernism and avant-garde. Emblematic constructions by the Catalan architect Antoni Gaudí and Lluís Domènech i Montaner have been declared World Heritage Sites by UNESCO.

**Don't miss!**  
**TARRAGONA** 30' From Barcelona  
Its Roman past still imprints its urban and Mediterranean character. Tarragona keeps its medieval spirit, palpable in its walls, its cathedral, its amphitheater, its aqueduct or its Archaeological Museum. No doubt why it was designated World Heritage in 2000.

**MADRID**  
The historic part of Madrid is brimful with art, history and culture, the site of buildings such as the Prado Museum, one of the world's major art collections. Its lively streets offer an exciting nightlife and a varied, year-round cultural calendar. This, combined with its gastronomy, as well as the exceptional surrounding cities (Toledo, Segovia...) some of which have the World Heritage designation, are just some of the factors which make Madrid such a successful choice.

**Don't miss!**  
**TOLEDO** 33' From Madrid  
Toledo is one of the Spanish cities with the greatest wealth of monuments. Known as the "city of the three cultures", because Christians, Arabs and Jews lived together there for centuries, behind its walls Toledo preserves an artistic and cultural legacy that makes its old quarter a real open-air museum.

**SEGOVIA** 26' From Madrid  
In addition to its famous aqueduct, numerous Romanesque churches, the Cathedral and Fortress form a magnificent landscape in Castile.

**VALENCIA**  
There are few cities like Valencia, able to combine the remnants of its ancient history – dating to the year 138 BC – with the most innovative and avant-garde buildings from the new millennium, such as the City of Arts and Sciences. Thanks to its location, Valencia has historically been a very important Mediterranean port, also hosting the most important sailing race in the world: the America's Cup.

**Don't miss!**  
**CUENCA** 56' From Valencia  
In the region of Castile-La Mancha, you will find this city with the UNESCO World Heritage designation for its wealth of monuments. Its historic center looks out over rocky canyon walls in the heart of the Cuenca Mountains. The cobbled streets, Cathedral, the famous Hanging Houses juxtaposed with the modern Museum of Abstract Art charm the most hardened traveler.

**MADRID**  
402 Km / 1 h 42'

**CÓRDOBA**  
529 Km / 2 h 30'

**SEVILLE**  
Modern, high-spirited, and, above all, passionate. Its warm climate is ideal for experiencing everything Seville has to offer: a ride around the city's most emblematic monuments in a horse-drawn carriage, a round of tapas in the bars and terraces of the old town, shopping in the lively commercial areas, a flamenco show in one of the city's "tablaos".

**MÁLAGA**  
547 Km / 2 h 23'

Leisure and entertainment are also key features of this coastal destination, and particularly its lively nightlife and numerous local festivities. Malaga is the birthplace of Pablo Picasso, one of the greatest artistic geniuses of all time. A visit to the city's Picasso Museum, set in a 16th century Renaissance palace, will provide a closer look at the work of this famous artist. Since 2015 the Centre Pompidou Málaga hosts a permanent exhibition of works from the Paris Museum's Collection as well as temporary exhibitions.
