Lee-Anne Pace, another major rival to beat in the Tenerife Ladies Match Play.

The number one of the Ladies European Tour 2010 will be at Golf Las Americas from 9th to June the 12th.

The South African Lee-Anne Pace, number one of the Ladies European Tour 2010, will be another major rival to beat, as her participation has been assured in the Tenerife Ladies Match Play, a new tournament integrated in the Ladies European Tour schedule that will take place in Golf Las Americas from 9 to 12 June and will be sponsored by Turismo de Tenerife and the Canary Islands Government.

Lee-Anne Pace, 30th years old, professional golfer since 2005, gained fame last year when she won 5 tournaments of the Ladies European Tour, an accumulation of hits in one same season that has occurred rarely throughout history.

Winner of the Swiss Open one year ago, Lee-Anne Pace put together a series of victories: Welsh Open and Finnair Masters in August, Sanya Ladies Open and Suzhou Taihu Ladies Open in two consecutive weeks at the end of October, which placed her as number 1 on the LET Ranking.

Lee-Anne Pace even flirted with victory in the latest edition of the Tenerife Ladies Open, when she finished as 4th in a tournament that she now will try to add to her brilliant record that started in South Africa where she was born and was followed by moving to the University of Murray State in the United States in order to continue her sports and academic training.

The Tenerife Ladies Match Play, with a format that so far did not exist within the schedule of the Professional Women's Tour and which is a combination of match play playoffs and one day of stroke play, is unique in the fact that it is reserved only to 32 players: the top 30 of the European Professional Ranking as well as two more professional golfers invited who are Carlota Ciganda and Emma Cabrera, the actual winner of the Spanish Championship, so participation will be, without any doubt, the best and the most exclusive.

Apart from "Turismo de Tenerife" as the main sponsor, the "Canary Islands Government" contributes as co-sponsor to the celebration of this tournament, which is officially supported by the **Royal Spanish Golf Federation** and the **Canary Islands Golf Federation** and is organized by **Deporte & Business**. The Tenerife Ladies Match Play also has the support of **Callaway, Cicar, DISA, Hospiten, Kyocera, Mercedes-Benz, Nautica y Deportes Canarias, Poodle, Tenerife Magazine**, as well as from suppliers like **Appletiser, Bahlsen, Coca-Cola, Fonteide, Grafitigolf, Heineken, Hotel Jardin Tropical, Arona Gran Hotel, Movistar, Ultramar Events** and **Mare Nostrum Resort**.
