

2nd Edition of our Hay on Wye Festival

COMPETITION

Enter our competition and win the opportunity to visit one of Spain's most dramatic settings.

CUENCA

A bewitching ensemble atop a high promontory flanked by the deep gorges of the Jucar and Huecar rivers, a Moorish city in the heart of la Mancha, with medieval buildings precariously hanging over sheer precipices where Spain's emblematic Museum of Abstract Art is nestled. One of Spain's 14 UNESCO World Heritage Cities, Cuenca is easily accessible from Madrid and Valencia.

Terms and conditions: The competition ends the 5th of June 2011 at midday. The prize includes return travel from a London airport, 2 nights' accommodation for two sharing in Cuenca's historic Parador and a program of visits. The trip must be taken before the 18th of December 2011 and dates are subject to availability. The winner will be selected randomly, using a computer program, and will be informed by e-mail or telephone.
